INDUSTRIAL INSTRUMENTS AND CONTROL SYSTEMS

---

**ACTION INSTRUMENTS** [www.eurotherm.com/products/signal-conditioning/action](http://www.eurotherm.com/products/signal-conditioning/action)  
Signal Conditioners, Isolators, Transmitters

**AMETEK - LAND** [www.landinst.com/product\\_categories/combustion](http://www.landinst.com/product_categories/combustion)  
Opacity Monitors, CEM Stack & Portable Systems

**AMETEK - PAI** [www.ametekpi.com](http://www.ametekpi.com)  
SO<sub>2</sub> Analyzers, CEM Systems & Process Analyzers, UV & IR, H<sub>2</sub>S, Moisture, Mass Spectrometers, TDLAS

**AMETEK - THERMOX** [www.ametekpi.com/brands/thermox.aspx](http://www.ametekpi.com/brands/thermox.aspx)  
Combustion Analyzers, Oxygen, Combustibles & Methane

**EUROTHERM CHESSELL** [www.eurotherm.com/products/recorders](http://www.eurotherm.com/products/recorders)  
Recorders, Video Graphic Paperless, Circular, Strip Chart, Data Acquisition Systems

**EUROTHERM CONTROLS** [www.eurotherm.com/products](http://www.eurotherm.com/products)  
Single and Multi-Loop Controllers, small DCS Systems

**FLUID COMPONENTS** [www.fluidcomponents.com](http://www.fluidcomponents.com)  
Mass Gas Flow Transmitters, Flow & Level Switches, Flow Conditioners

**HEISE** [www.heise.com](http://www.heise.com)  
Pressure Calibrators, Transducers, Digital Pressure Gauges

**NEMATRON** [www.nematron.com](http://www.nematron.com)  
Industrial Computers, Panel & Rack Mount Monitors

**PROCESS SENSORS CORP** [www.processsensorsir.com](http://www.processsensorsir.com)  
Infrared Pyrometers, Stationary & Portable Pyrometers, Thermography, Black Body Calibration

**PYCO** [www.pyco.com](http://www.pyco.com)  
Thermocouples, RTD's, Wire, Components, for Power & other Industries

**SOFT PLC** [www.softplc.com](http://www.softplc.com)  
PLCs, PACs, AB Legacy Upgrades, Protocol Converters, Routers, Firewalls

**SPARLING INSTRUMENTS** [www.sparlinginstruments.com](http://www.sparlinginstruments.com)  
Flowmeters: Electromagnetic, Propeller, Positive Displacement
